

Day-to-Day Dance Studio COVID-19 Policy (Updated 7/31/2022)

Our top priority is for the health and safety of our community and our instructors! Below are the guidelines and protocols our studio is abiding by due to the COVID-19 pandemic. This is according to the indoor fitness facility mandate for hygiene and physical distancing to prevent the spread as outlined by Washington State and federal workplace requirements.

Before Arriving at the Studio:

- As of March 12th, masks are optional but encouraged
- Physical distance as deemed possible
- COVID-19 Waiver must be completed prior to the day of first class.
- **Adult Wellness yoga and Pilates class** students should bring personal mats if possible. We also encourage students to bring their own props, but some prop will be available using strict cleaning procedures.
- The water fountain will remain closed but will be available for filling water bottles.
- The bathroom is open for students and their families only but closed to dressing. Students should always try to use the restroom before coming to class to avoid missing class time and should be dressed for class before arriving at the studio.

Arriving at the Studio:

- The lobby will be open, and parents are allowed to wait inside at the chair designated to their child.
- Students must attest to no exposure before class.
- Students must use hand sanitizer upon arrival and leaving class.
- Students must remain in designated area until a Day-to-Day Dance instructor invites them into the studio area one at a time.

Classroom Procedures:

- Students can place their belongings under their designated seating areas in the hallway.
- Adult Wellness classes student can set their equipment bags next to their mat.
- No food is allowed inside dance studio. Make sure to eat a healthy small snack before class if possible.

Cleaning Procedures:

- The studio and any items that are used by students will be sanitized daily.
- Any equipment or items that are difficult to sanitize will not be used.
- Due to current COVID-19 conditions and recommended by Washington State guidelines, the HVAC system has been boosted to bring in as much outside air as possible and new filters, plus air purifier, has been added. These changes have made it efficient in capturing airborne viruses to provide the best air circulation in studio and to minimize health risks. When possible, doors will be open too.

When Students, Staff and Family Should Stay Home and Return to Class:

Hybrid option available for students in any of these cases.

- If within 24hrs they have had fever, vomiting, diarrhea, bad cough, or any other symptoms of COVID-19.
- If there is knowledge of a possible exposure to anyone who has tested positive for COVID-19 or if you are considered a close contact of someone who is suspected to have COVID-19 and you are required to quarantine, according to local health guidelines.
- If you are suspected of having COVID-19 or have been diagnosed with COVID-19 and have not finished quarantine according to local health guidelines.
- Review [Tree Chart](#) for returning to class after a possible exposure or positive COVID in your household.

Liability

- While the Day-to-Day Dance Studio is complying with all suggestions by the Whatcom County Health officials, Washington State Department of Health, and the Center for Disease Control and Prevention there is a risk that students could be exposed to COVID-19. All students must complete waiver prior to starting any class in studio.

FAQ's

What if students forget their water bottle?

There is disposable cup at the studio to fill.

In the event of an outbreak at the studio?

We will close the in-person class for a week or depending on the recommendations by the local health department and local state authorities. Classes will continue through ZOOM.

If the studio closes or an instructor is unavailable due to COVID-19, will I receive a refund?

Yes, we will refund for the classes that have been paid for but did not occur due to COVID-19 circumstance. We will not charge your account until further notice. The studio or class will resume once the health risk is low according to state and local authorities.
